try after he was telling me how his old man was giving him a business worth like 5 million dollars. We went out. He was so nervous couldn't even talk. Total lack of social skills. I really wasn't into him but I kept thinking about all that cash his dad was giving him. We ended up parking at this dump company he works at. He tried kissing me but you could tell he didn't know what he was doing. I asked him why he was so nervous. He told me he was a virgin lol. The date ended there for me. He kept messaging me for a couple more days. Even sent pics of his dick lol and offered to have a fully interactive MMF Threesome with me. Guess he has a little more experience with boys than with girls. Even 5 million bucks aint enough to pretend to like a loser like him.

Johnny is indeed very hot, and I love his long hair! My favorite long-haired fella is Steven Tyler. Man, is he sexy! The only bad thing about Johnny is that he's from communist Canada. How do you like your socialized medicine, brain-dead libtards?! White power, MAGA, boycott the NIGGER Football League, and heil our great, sexy leader President Donald J. Trump!
